2 (9:10 p.m.)

3 JUSTICE GORSUCH: We'll hear argument this  
4 afternoon in No. 06-07, United States v. Yada Clan.

5 Mr. Conjman.

6 CONJMAN: Justice Gorsuch, and may it please  
7 the Court:

8 This is an institution focused towards one  
9 goal and one aim - crime for their own gain. Be it  
10 monetary gain or 'kicks,' they exist to feed off of this  
11 Country we have maintained and worked on so much to  
12 improve. The citizens of the United States should not be  
13 cowering in fear of such an insidious institution when  
14 the government has the ability to take action but  
15 doesn't.

16 The Yada Clan is comprised fully of alternate  
17 accounts which allows them to hide behind these covers  
18 where the person can commit crimes with glee and still  
19 hold their normal jobs and not be punished. After this  
20 fad started, they had started to get more organized,  
21 first getting a group, then a discord that allows them  
22 to keep organized and have more joint attacks. The  
23 Congress has declared the Yada Clan a terrorist  
24 organization(House Congressional Resolution 5), which on  
25 it's own can do nothing. Members of this gang hide  
26 behind the fact that officers of the law are unable to  
27 arrest said members for being terrorists due to there

1 not being a warrant. Claiming to have bailed or  
2 committed less crimes and then threatening our officers  
3 with suit for false imprisonment. This leads to a  
4 situation where our officers of the law are restrained  
5 from being able to protect and serve the American  
6 population.

7           On top of all this mess, the aforementioned  
8 gang frequently murders those who are on their "Kill on  
9 Sight" list. This includes our President and his  
10 supporters, Judge Luke Sky Walker, and other individuals  
11 that don't deserve their countless crime sprees. They  
12 have repeatedly committed crimes in both cities of the  
13 United States, exploited to avoid arrest, raided Las  
14 Vegas (even after F.B.I. agents deployed to try and stop  
15 it, where they couldn't arrest due to not committing  
16 crimes until there were enough there), and raided  
17 countless servers. They are a crime organization that  
18 commits countless crimes and causes countless problems.  
19 They commit crimes for financial gain and just because  
20 they can without threat of serious problems. They can  
21 just go back onto their main account and do normal stuff  
22 while waiting for their Yada alt to finish their  
23 sentence.

24           This can be solved by a group-wide arrest  
25 warrant from this Court, a measure which is eminently  
26 necessary. As said by Justice Gorsuch in US v. TPR: "TPR  
27 is a small group of citizens that go to the cities of

1 the United States and commit several omissions against  
2 Title 18 of the United States Code. TPR's actions  
3 quickly attracted the attention of the United States  
4 Government; several occupational attempts to mitigate  
5 their attack on the city were made by law enforcement.  
6 The United States exhausted all proper channels of  
7 action before submitting an application to this Court  
8 for a group arrest warrant. The United States presented  
9 the argument that the only way to possibly mitigate TPR  
10 and their possibility to induce terror onto the  
11 occupants of the city, was to grant an arrest warrant  
12 for all individuals within the organization."

13 This quote fully shows about this case and  
14 sets a precedent. In this case, the Executive Branch(The  
15 Department of Justice and their subordinates) has  
16 exhausted all of its resources to mitigate this common  
17 fear of the citizens of the United States.

18 JUSTICE WHITE: Alright, --

19 CONJMAN: Yes, Mr. Justice?

20 JUSTICE WHITE: -- could you expand on your  
21 assertion that the respondents committed crime for  
22 financial gain?

23 CONJMAN: There was an alert to the Department  
24 of Justice that they started to organize bank robberies  
25 that allowed them to purchase more means to commit  
26 crimes, which they eventually did.

1 JUSTICE WHITE: But, you yourself just stated  
2 that they could have committed these acts for a spew of  
3 reasons: "Be it monetary gain or 'kicks,' they exist to  
4 feed off of this Country."

5 Pretty vague statement there.

6 CONJMAN: They commit these acts to gain more  
7 money, which will most likely be used to commit further  
8 crime.

9 JUSTICE WHITE: But is that the only reason? Or  
10 would you assert that there is more?

11 CONJMAN: They could also send money to their  
12 main accounts where they may not be punished for  
13 committing crimes against the state on their alts.

14 JUSTICE O'CONNOR: Okay, here's my question.  
15 Why should we give the group a warrant when they could  
16 just switch accounts and form a different group? What is  
17 the DOJ actively doing to ensure this stops here?

18 CONJMAN: The DOJ is trying to prevent the  
19 problem with TPR where they actively went and moved to  
20 yada alts. Members of the FBI have been trying to find  
21 who owns the yada accounts and get them punished  
22 accordingly.

23 JUSTICE O'CONNOR: Okay, thank you.

24 JUSTICE GORSUCH: Petitioner, you have a five  
25 minute warning.

26 JUSTICE KENNEDY: I have a question following  
27 that, on occasions and upon investigating the group for

1 myself, I have noticed that the "Yada Clan" isn't fully  
2 comprised of alternate accounts. Respondent on multiple  
3 occasions has stated that not all "Yada's" are  
4 criminals, for those of them who supposedly aren't, what  
5 would you respond with?

6 CONJMAN: Those who are in the yada clan group  
7 should be punished for aiding terrorists in manpower.  
8 Their leader himself actively tries to assassinate the  
9 President, then when he does, he uploads a Youtube video  
10 of it.

11 JUSTICE GORSUCH: What do you mean by aiding?

12 JUSTICE WHITE: By being part of a criminal  
13 organization, that the Congress, as you asserted in your  
14 brief, deemed to be a domestic terrorist organization,  
15 aren't they a threat to the United States?

16 JUSTICE GORSUCH: Please elaborate on how they  
17 would be of material assistance to this organization.

18 CONJMAN: They are a threat to the United  
19 States, Justice White. As is a part of common law, those  
20 who associate with criminals, are criminals.

21 JUSTICE KENNEDY: So, if I said for example  
22 YadaCaldwell, who is apart of the Department of Justice  
23 say for example, one of your colleagues. Because he has  
24 the name "Yada" in his name, wouldn't that make him  
25 associated with the clan and to your logic as he's  
26 "associated with criminals"?

1           CONJMAN: He should have been fired immediately  
2 after H. Con. Res. 5 was approved, I will get in contact  
3 with my superiors to eliminate that.

4           JUSTICE KENNEDY: So you'd like to fire  
5 somebody solely based on their name?

6           JUSTICE WHITE: Does bearing the prefix "Yada"  
7 make you a Yada or does being in the actual group make  
8 you a Yada?

9           CONJMAN: Either is sufficient to establish  
10 association.

11          JUSTICE GORSUCH: So, if I understand correctly  
12 Mr. Conjman, you are saying that the individuals inside  
13 of the Yada Clan group are marked as "guilty by  
14 association"?

15          CONJMAN: As in 18 U.S.C. §521, members of said  
16 gang, those in the group and with the suffix, are to be  
17 punished for associating with a known criminal gang.

18          JUSTICE GORSUCH: One more question. In United  
19 States v. TPR, the United States at that time had  
20 claimed they had exhausted all other channels before  
21 applying for a group arrest warrant. What has the  
22 Department of Justice expended as their efforts?

23          CONJMAN: The Department of Justice is trying  
24 to prosecute those that are committing crimes.

25          JUSTICE GORSUCH: But that doesn't necessarily  
26 answer my question Mr. Conj. Has the Department of

1 Justice exhausted all other channels before applying for  
2 a group arrest warrant?

3 CONJMAN: The FBI, to my knowledge, is actively  
4 trying to find those in the yada gang and prosecute  
5 them, there is no other way for the DoJ to successfully  
6 get rid of this terroristic group.

7 JUSTICE GORSUCH: That'll be your time. Thank  
8 you.

9 Respondent.

10 MR. YADA: Okay, a lot of yadas have jobs. A  
11 lot of yadas do not commit crimes, a lot of yadas are  
12 not alts. You do realize, that we've shown in the past,  
13 that the more you attack us the more we attack the  
14 state. It's just fueling the fire.

15 All the yada clan wants is to live a normal  
16 life in the United States.

17 JUSTICE WHITE: What is your role in the Yada  
18 clan?

19 MR. YADA: I'm the leader of the Yada Clan.

20 JUSTICE WHITE: And what exactly do you all do?  
21 In other words, what is the group for?

22 MR. YADA: To stop corruption, and revolt  
23 against the state, but not all yadas revolt against the  
24 state.

25 JUSTICE WHITE: Revolt?

26 MR. YADA: A lot of yadas have jobs themselves.  
27 Not all yadas revolt against.

1 JUSTICE WHITE: Like trying to overthrow the  
2 government?

3 MR. YADA: Mhm, but not all yadas try to do  
4 that. If we keep the AoS, it's just gonna add more  
5 people that try to overthrow.

6 JUSTICE WHITE: Also, by joining the Yada's  
7 isn't it fair to say that they then take on the mission  
8 of the Yada's: To overthrow government, as you just  
9 said?

10 MR. YADA: No, not really since all you need to  
11 do to be a yada is to have Yada in your name. It's like  
12 \_racks, \_gunners, soups, or even sights.

13 JUSTICE WHITE: I mean, you don't join a crime  
14 organization without the intention of partaking in some  
15 crimes, right? That would be like me being on the  
16 Supreme Court, and not wanting to be a Supreme Court  
17 Justice.

18 MR. YADA: You fail to realize, yada clan did  
19 not start as a crime organization.

20 JUSTICE KENNEDY: Another question, drawing  
21 back to your point that all the "yada clan wants is to  
22 live a normal life in the United States."

23 If this were true, why is it that you, their  
24 leader, commit crimes frequently along with members of  
25 your supposed group (occupy the White House, assassinate  
26 the President, set targets on others' head) in our  
27 cities?

1 MR. YADA: Because, they don't let us live a  
2 normal life...?

3 JUSTICE KENNEDY: How is that?

4 JUSTICE GORSUCH: What do you mean by "a normal  
5 life"?

6 MR. YADA: Getting jobs, maybe even being  
7 politicians, just like anyone else.

8 JUSTICE WHITE: Why do you think you can't get  
9 a job? Is it because of what you do?

10 MR. YADA: When yada clan first started, before  
11 the crimes, they still didn't allow jobs for yadas.

12 JUSTICE WHITE: Wait, --

13 JUSTICE KENNEDY: Why is that?

14 JUSTICE GORSUCH: Can you elaborate on that?

15 JUSTICE WHITE: -- so you do commit crimes now?

16 MR. YADA: Hold on, let me explain. So, the  
17 yadas did not begin as a crime organization, they wanted  
18 work, and wanted to live just like any other American.  
19 Not sure why, but no one let that happen.

20 Not all commit crimes now. But if you do this  
21 AoS, it's going to affect the ones that don't. There are  
22 yadas that commit crimes, but not all do. This AoS would  
23 affect all.

24 JUSTICE GORSUCH: Mr. Yada, you say that not  
25 all yada's are criminals or partake in your syndicates  
26 events, correct?

27 MR. YADA: Yeah, not all.

1 JUSTICE GORSUCH: So, a follow-up. If the per  
2 se mantra, of your organization is to "revolt" and  
3 "overthrow the government," do you not believe that the  
4 United States would consider the organization overall a  
5 threat?

6 MR. YADA: Yeah, they have reason to, but  
7 again, not all yadas do it. If you do this, all of the  
8 yadas will be affected.

9 JUSTICE KENNEDY: But wouldn't a solution be  
10 for them to disassociate from the group in general?

11 MR. YADA: No, not really, it's a family.

12 JUSTICE WHITE: A crime family?

13 MR. YADA: If not all of them do crimes, it  
14 wouldn't be a crime family would it?

15 JUSTICE KENNEDY: You say some of these  
16 individuals are people who hold jobs, correct?

17 MR. YADA: The ones that don't take place in  
18 our crimes, yes.

19 JUSTICE GORSUCH: So if person A joined person  
20 B's group, which has its heart set on overthrowing the  
21 government and causing chaos, what does that show about  
22 person A?

23 MR. YADA: Justice Gorsuch, let me give you an  
24 example.

25 Let's say someone has political beliefs that  
26 are anti-American, but they do not go and join ISIS or  
27 something like that. It's their own political belief.

1 But they don't express it in a violent way, like  
2 revolting.

3 JUSTICE WHITE: But you are acting off of that  
4 belief, correct?

5 MR. YADA: Yes, but some yadas don't.

6 JUSTICE WHITE: You are, indeed, expressing  
7 your beliefs in a violent way.

8 Right?

9 MR. YADA: Mhm, but are all yadas?

10 JUSTICE GORSUCH: But to return to my question,  
11 what would that show about Person A? What would incline  
12 an individual to join an organization such as that?

13 MR. YADA: No, because they just share the same  
14 belief. They do it differently.

15 JUSTICE KENNEDY: From the name of the group,  
16 "Yada's" are more of a clan, is that not right? A clan  
17 meaning a group.

18 MR. YADA: The name clan was just a random idea  
19 name when it was named, but it's a family. Like racks,  
20 soups, etc.

21 JUSTICE KENNEDY: So tell me this, what sense  
22 does it make for a law enforcement officer let's say,  
23 since you claim that some Yada's hold jobs, to be  
24 associated with such a gang? Regardless of whether or  
25 not they are a family, a family still draws indications  
26 that they're a group.

1           MR. YADA: They would hold the same beliefs,  
2 but they would do things differently.

3           JUSTICE KENNEDY: And if I am aware the clan  
4 itself has been actively pursuing many members of law  
5 enforcement to go rogue and commit crimes at our cities  
6 as well, wouldn't this draw suspicion overall?

7           MR. YADA: Yes, but we have a reason for that.  
8 You do realize, ever since we became AoS, there's been 5  
9 rogues in one week.

10           JUSTICE GORSUCH: Thank you, respondent. The  
11 case is submitted.

12           (Whereupon, at 9:48 p.m., the case was  
13 submitted.)
